

Insurance has never been this easy

As your property management company, we are committed to making life easier for all our residents. That is why we are bringing you a new resident insurance solution to simplify the process when you are ready to renew or compare coverage options.

Our affiliate FS Insurance Brokers has partnered with VIU by HUB to demystify the complex world of insurance and offer competitive coverage to all our residents across the country.

Whether it is time for your annual renewal or you are simply looking for better rates, this service offers quotes from top national insurers for home, auto, and more, all in one place.

You can count on:

- Clear information and options to fit your needs and budget
- Comparing quotes from multiple insurers quickly
- No pressure, just options when you are ready

What residents are saying

I was dreading the insurance hunt after moving to Los Angeles, but this new resident insurance solution through FirstService made it straightforward. Got quotes from several top insurers in minutes and saved over \$400 on my condo coverage. Brilliant service.

— Kevin T., California

After relocating, I needed both home and auto coverage quickly. I was able to compare options and get both policies sorted in no time. Made the move so much easier.

— Lindsey C., Texas

At FirstService Residential, we are always looking for ways to enhance your community experience. These resident insurance solutions are here whenever you need them. No obligation, just convenience when insurance renewal time comes around.
